[CAUTION: EXTERNAL EMAIL]

Dan -- EPA has reviewed the notes for EW AB Meeting 1 and find that the EWGs notes are consistent with those taken by EPA. Please finalize and send back to me for the East Waterway Site File and Administrative Record.

Thanks

Ravi

Ravi and Kira,
Attached are the draft meeting notes from Anthropogenic Background meeting #1. I'm just sending to you two, but were thinking that you could circulate to others within EPA for review, as well as Ecology and the tribes. Please let us know if you'd prefer we send these to all attendees at once.
Thanks
Dan
